LONG PENDING CONTROVERSY OVER VERA AVENUE SETTLED BY COUNCIL

With all the trustees present at the meeting of the city council last Monday evening two matters of considerable public interest were given consideration in addition to the usual matters of routine business.

The long pending controversy over the question of the improvement of Vera avenue was disposed of in a manner which it is hoped will prove satisfactory to all—both of resident and non-resident owners of property. After a report from Trustee Tuchsen that he had good reason to believe that bids for the work at reasonable prices could be secured at this time, it was decided to proceed with the ordering of the curbing and paving of a portion of the avenue. For the present it was understood no attempt would be made to require the construction of concrete sidewalks, the idea being to limit the expenditure to the lowest possible amount which would provide for the admittedly serious needs of the residents of the street. With the same object in view the paving will be confined to a portion of the avenue, the roadway being constructed only for a distance necessary to include the district now occupied by residents. With this object in view, City Attorney Mansfield was instructed to prepare the necessary preliminary proceedings for the ordering of the work. While this action will provide no relief for this winter, it will practically insure the proescution of the work in the early part of the coming summer.

Notwithstanding the action at a recent meeting denying the application of W. A. Maloney for a wholesale liquor license he is to be permitted to conduct his business in this city. Maloney appeared before the council and made a plea that the former action be rescinded and that he be granted a license. Discussion indicated that the reason for the denial of the original application was purely a setimental one—that of refusing to allow the establishment of additional places for the sale of liquor. No objection had been raised to Maloney or the manner in which he had conducted his business. In fact during the discussion it developed that the military authorities at Camp Fremont has expressed a willingness that he should be granted a permit within the city the only obstacle to the continuance at his old location being the military law providing for the five-mile dry zone about a military camp. While no definite action could be legally taken at this meeting, Maloney was told to present a new application in the regular form at the next meeting, the intimation being that it would be granted, the only restriction held out being that a location must be secured in the business district.

Charles Cofiori, an employee of the street department, asked for an increase of pay from $3 per day to $90 dollars per month. As the trustees did not look with favor upon the proposal to employ men at transcient work at a monthly wage, the request was referred to the finance committee for solution.

R. C. Smoot of San Mateo filed an application for appointment as city plumbing inspector. As there is at present no vacancy in that office, the application was placed on file.

A request of the recently organized State Traffic Officers Association for a contribution of $25 to its fund was passed to the oblivion of the files, the trustees evidently considering the present a good time to economize in the expenditure of city funds, especially where the returns were problematical.

Muller, McGarvey & Flynn, owners of the property, applied for a lodging house license for the Laihona house on Main street. With the understanding that there was to be a change in the conduct of the place the license was granted.

Several applications for permits to operate jitney bus lines through the city to Camp Fremont were granted.

An ordinance was introduced providing for the division of the city into election precincts for the purpose of the coming municipal election. By consolidating county precincts the number of voting places is decreased and the cost of the election curtailed. At the same time City Attorney Mansfield was given authority to provide for the printing of the necessary election supplies.

FIRST NATIONAL BANK HAS PLACE IN "ROLL OF HONOR"

Attention of the readers of the Times-Gazette is especially called to the advertisement of the First National Bank of this city appearing in another column of this issue. The record shown there is one of which the officials of the bank are proud, and they have a right to be. The New York Financier is the leading authority in the banking circles of the country, and its classification of the standing of National Banks, which is revised annually, is made from official records. When it is considered that the financial field served by this city is a comparatively limited one the place given by the Financier to the First National Bank is one which must be pleasing to local residents. Not alone is this bank classed as a "roll of honor" bank but is given an unusually high standing in this class.

Final Decree Granted

Ottilie Roth on Thursday was granted a final decree of divorce from her husband, Michael Roth, by Judge Hudner. The interlocutory decree was granted on October 13, 1916. Franklin Swart appeared for plaintiff.

MARCUS' ARCADE ENCOURAGES SALE OF "THRIFT STAMPS"

Marcus' Arcade has introduced an attractive plan for interesting the youth of the city in the campaign for the sale of "Thrift Stamps." Tickets have been provided representing purchases to the total amount of $5. One of these may be obtained by any boy or girl under the age of 18 years. As purchases are made either by the boy or girl holding the ticket or any one they may induce to aid them, the amount of the purchase is canceled and when the cancellations shown indicate the purchase of goods to the amount of $5 the owner of the ticket will be presented with a thrift stamp. This offers a splendid opportunity to encourage this important work. Every boy and girl in the city should call at the store and secure a ticket and then "get busy" inducing their parents and friends to aid them in securing the thrift stamp. This is an easy method and any boy or girl can become the owner of a Thrift Stamp in a short time.

Olive Branch Rebekah lodge of Redwood City will hold a card party on January 29th in I. O. O. F. hall. number of prizes have been selected for distribution to the lucky ones present.

E. T. McGETTIGAN ADDRESSES STUDENTS ON "THRIFT"

Talking before the assembled students of the Sequoia Union High school, Thursday afternoon, E. T. McGettigan, urged the student body to join heartily in the Thrift campaign now on. Quoting from figures presented at Wednesday night's meeting by John S. Drum, the speaker showed the real need for the practice of Thrift and urged the students, in planning for their years activities, to consider only the essentials with the idea of preventing any waste of energy or money that could be used as an aid to governmental efforts.

LEFT FOR CAMP LEWIS TO VISIT WITH THEIR SON

Wellington Orton and his wife departed for Camp Lewis on Thursday to visit their son, John, who has been stationed there for the past three months. Mr. and Mrs. Orton will remain in the north for several weeks visiting all points of interest at Tacoma, Seattle, Portland and other places. The Ortons reside at Portola.

GRIEF HASTENS DEATH OF PROMINENT SAN MATEO MAN

The death of John Parrott of San Mateo on Sunday evening last removed from the community in which he had spent all his life a splendid citizen, a good father and effectionate husband and a public-spirited man whose devotion to the county and its people had no bounds. The tragic death of his son last year hastened his death and the demise of his mother a few months ago was another blow that brought this eventful life to a close.

John Parrott was educated at Stonyhurst College, Landshire, England. He was, throughout his life, particularly interested in music, and was himself the author of several musical compositions. He was also a patron of art. Parrott's name is closely associated with the early development of San Francisco.

The wedding of John Parrott to Miss Minnie Donohoe took place at Menlo Park about 35 years ago.

Parrott was the father of the following children: Mrs. Edward J. Tobin, Misses Emilie, Barbara and Josephine Parrott, Lieutenant John Parrott, Jr., Lieutenant Edmund Parrott Joseph, William and Stephen Parrott. They are all San Mateo residents.

Reid Jr., son residing at Brookline, Mass., and Julia Reid Willard, a daughter, and wife of Attorney Charles Willard of San Francisco. Mrs Willard passed away shortly after her mother, May 29, 1917. McCutchen, Olney and Willard are the attorneys for petitioner. Mr. Reid has waived his right to administer upon his wife's estate and has maintained Mr. Willard to act for him.

The appraised value of he big estate is $369,945 and the deductions have been computed at $264,568.50, leaving a clear market value of $105,376.44 subject to the inheritance tax. The tax will be paid as follows: Belle J. Moore, $202.50; Carmelita Burt Kendall, $202.50; Natalie T. Hewson, $202.50. They are the daughters of the late N. J. Brittan and each have an exemption of $150.

SUPERVISORS REVOKE LIQUOR-LICENSE OF BELMONT HOTEL

ANOTHER CASE OF "THE WRONG SOLDIER IS FURNISHED WITH LIQUOR"

At a special meeting of the board of supervisors held on Thursday last the liquor license of F. J. Vanderleith who conducts the American hotel at Belmont, was revoked by a unanimous vote of the board.

The evidence produced showed that Vanderleith had sold liquor to an alien, who in turn sold it to a soldier in violation of an ordinance recently adopted by the supervisors.

E. C. Kirk, a provost guard at Camp Fremont, went to Belmont on January 16th and entered the hotel. On leaving the place he accosted one Jose Bejosca, an alien, whom he requested to buy him a pint flask of whiskey, giving the man a dollar to pay for it. Bejosca soon returned with the liquor, keeping the change as requested by the provost guard. He was immediately arrested by the guard and brought to jail in Redwood City.

Bejosca related to the board how he had bought the whiskey in the hotel and gave it to the soldier. On the testimony of Kirk and the alien the board revoked the license. The new ordinance makes it unlawful to sell liquor to an alien.

The American hotel is one of the oldest on the peninsula and is owned by John Rowell of Belmont.

NOTES OF ATHLETIC DOINGS AMONG SEQUOIA HI PUPILS

Although the presence of a slump was quite evident, Sequoia's Giants put Campbell out of the running last Saturday night at the San Jose Y. M. C. A. by a score of 41 to 26.

On being questioned in regards to the game Chas. Helser, '18, a member of the team answered: "The standard of playing was much below par although Sequoia won. The slump was due probably to poor condition coupled with the fact that Capt. George Seely was absent".

The 'Giant" backers didn't have long to worry about the appearance of Jos Slump because on Wednesday afternoon the varsity took on the champion R. A. C. team and played rings around them winning by the score of 21to 29.

From the games thus far played it is quite evident that Sequoia has the best chance in years to cop first place in the league. The scores of the games played to date areto-wit:

Sequoia 29, R. A. C. 27.
Sequoia 50, Co. E 13th Inf. 15.
Sequoia 30, Co. I 8th Inf. 47.
Sequoia 38, Mt. View Hi 16.
Sequoia 24, San Mateo Hi 23.
Sequoia 85, Palo Alto Hi 6.
Sequoia 54, Mt. View Hi 22.
Sequoia 41, Campbell Hi 26.
Sequoia 29, R. A. C. 21.
Games won 8.
Games lost 1.

In addition to the fine playing of the team Capt. Seely has behind him a student body which has more "pep" than probably any student body Sequoia ever had and the likes of this is what counts.

Graduate Manager Oscar Olson of Sequoia has scheduled a number of practice games for the Sequoia 130-lb. team, which has held the championship of the League for the past two years. Watch the "Dwarfs". They threaten to repeat their past performances and grab the old flag. Already they have defeated such teams as Mission Hi of San Francisco, San Mateo Hi and only last Wednesday they downed the fast Sacred Heart quintet by 29 to 19. This was one of the most exciting games played this season. The S. F. boys putting up a very game fight although they were out played.

BONITA PARLOR, N. D. G. W. INSTALL NEW OFFICERS

On Thursday evening Bonita Parlor, N. D. G. W., installed officers for the term. Dora Wilson, the district deputy for the county, was the installing officer. A number of members from all portions of the peninsula witnessed the impressive ceremony. The work was well and gracefully put on by the district deputy. The routine business of the parlor being concluded refreshments were served the members and visiting sisters. The officers installed were: Rose McFarlane, president; Mamie Glennan, first vice-president; Dora Wilson, second vice-president; Mrs. Peterson, third vice-president; Lizzie Hadler, financial secretary; Mary Jane Townsend, treasurer; Mary Read, recording secretary; Sophie Offermann, Annie Grotto and Lottie Heise, trustees; Sophie Mengels, organist; Nellie Stafford, inside sentinel and Edith Curran, outside sentinel.

PHELPS ESTATE HEIRS WILL CONTEST EXECUTORS' PLANS

Some time ago William Chipman and the Union Trust Company, executors of the estate of Josephine A. Phelps, deceased, petitioned the superior court for permission to mortgage the property of the estate for the sum of $75,000 to pay off the debts. The petition was to have been heard on Thursday but on that date Judge Hudner, sitting for Judge Buck, continued the matter for a week.

Opposition to the petition was filed this week by Edward McLean, Alfred A. McLean, brothers of the deceased, and Mrs. Eugenie Schroeder, sister, all heirs under the will of Mrs. Phelps. Those opposed to granting the petition advance six reasons why it should not be allowed. They claim that it was Mrs. Phelp's wish that her property should never be mortgaged, that the interest on the mortgage, taxes, etc., would amount to $12,000 annually, while the income would only be $10,000, thus the property would soon be taken over for the mortgage. They claim it would be better policy to sell a portion of the holdings and pay off the debts in that way rather than execute a mortgage. A long legal battle is likely to take place over the matter.

DELEGATES ELECTED TO ATTEND STATE CONVENTION

A temperance County Convention was held last Friday evening at the Congregational church for the purpose of electing delegates to the State Convention which convenes at Fresno February 5th to formulate plans for the prohibition amendment ratification campaign. Delegates were present from San Mateo, Burlingame, and Redwood City. Mr. W. S. Wardlaw was elected moderator and C. A. Parker, secretary. After a short address by Franklin Hichborn of the Anti-Saloon League, and a general discussion of the temperance situation, the following delegates were elected W. S. Leadley, San Mateo; Frank H. Boring, San Mateo; Mr. and Mrs. D. W. Williams, Redwood City Rev. and Mrs. Brice, Redwood City; Rev. Robert Burley, San Mateo, and C. M. Doxsee, Redwood City.

It consists of realty holdings, cash on deposit, promissory notes, grain and hay and other personal property valued at $167,650.88. Mrs. Ware made her home in Redwood some time before her death. Her daughter, Mrs. Bedell, resides here.

BIG IMPETUS GIVEN WAR THRIFT CAMPAIGN AT PUBLIC GATHERING

Before one of the largest audiences ever assembled in Redwood City, John S. Drum, in charge of the war saving campaign in Northern California and John F. Newlan, prominent in State affairs, told of the great need for Thrift as an aid to the Government in carrying on the war. Both men are forceful speakers, and the big audience was deeply impressed by the able manner in which they pointed out the share the "stay-at-homes" must take in the struggle.

The meeting, which was held in the Sequoia theatre Wednesday night, was under the auspices of the Liberty Council of Redwood City and was the fifth of a series of educational gathering arranged by this organization. The meeting was presided over by E. T. McGettigan.

A feature of the gathering was the music by the Thirteenth Infantry orchestra and the singing of twenty-five soldiers from Camp Fremont, under the leadership of Chaplain Livingston of the Thirteenth Infantry. The songs were all of patriotic nature as was also the film program presented by Mnager Arkush.

Reports from all sources in Redwood indicate that the sale of Thrift stamps in this city was given great impetus as a result of the stirring appeal by Drum and Neylan. Both speakers presented facts and figures which proved the necessity for the cultivation of Thrift ideas during the year 1918 the time allotted by the Government for the sale of two billion dollars worth of Thrift stamps. Of this amount Redwood City's quota is $70,000 or $20 each for every man, woman and child making up the city's population of 3500.

REDWOOD AVIATION SCHOOL TO TEACH TWO NEW COURSES

F. M. Slade, of 2761 Divisadero street, San Francisco, enrolled yesterday as a student at the Redwood School of Aviation. The school now has an active membership of 30 students, and it is expected that within the next three months twenty of these will be given opportunity to take the test flights for an air pilot's license. Chief Instructor Frank Bryant is contemplating the establishment of a ground school in connection with his aviation school at which will be taught aerodynamics and wireless as a preparatory course for the government school at Berkeley.

BASHFUL SOLDIERS GIVEN CHANCE TO LEARN TO DANCE

If there are any soldiers at Camp Fremont who do not know how to dance—and there are probably a few—they are to be given an opportunity to learn the art under most favorable conditions. Realizing that it is rather embarrassing for one who does not know how to dance to make his first attempts in public, the young lady dancing instructors of the Fremont Dancing Academy have decided to devote next Wednesday afternoon between the hours of 2 and 4 o'clock to the instruction of soldiers in the art. The instructions, which will be conducted by 20 young ladies, is free and is intended only for soldiers who do not know how to dance. This will give the beginners an opportunity to avoid the embarrassing situation of first appearing at a public dance.

BIG ESTATE OF SENATOR FELTON ORDERED DIVIDED

Judge Hudner on Thursday made an order distributing the Charles N. Felton estate. The big holdings will go to the two children of the late senator, Charles N. Felton and Mrs. W. Nelson. The total appraised value of the estate was placed at $797,737-.50 and the total inheritance tax paid to the county treasurer was $20,964-.46. The estate has been in the probate court for some years caused by a wrangle over the amount of inheritance tax to be paid. This phase of the estate was taken to the Supreme Court and by a recent decision the amount of tax was fixed by that tribunal.

Mr. Felton in his life time was one of the most influential men in the state. He served two terms in congress and two years in the U. S. Senate by appointment.

HENRY LAMB SENDS LETTER HOME FROM "OVER THERE"

Henry Lamb, the Broadway merchant, received a letter from his son, Henry, on Wednesday from England. Young Lamb left with the second San Mateo contingent for Camp Lewis some months ago. The epistle conveyed the first intimation that he had left the camp and was in Europe. Mr. Lamb was very much surprised to learn that his son was on the way to the front in France. The young soldier speaks enthusiastically of his trip. He expects to remain a month in England after which time he will go to the trenches in France.

AN INOPPORTUNE SUGGESTION

The grand jury will incorporate in its report a recommendation to the board of supervisors to abolish the present county hospital and farm and to establish a similar institution near the line of the rialroad in the center of the county. The recommendation is a good one, but this is no time for the expenditure of public funds. The taxpayer is already over burdened and there is no use adding to the load. If the farm can be disposed of for near its value and the proceeds used in establishing another ,well and good, but to spend more money for a new one would meet with disproval by property owners. After the war it will be soon enough to talk about another farm and hospital.

Halfmoon Bay Notes

Tax Collector Ambrose McSweeney and Assemblyman Frank Eksward were over on the coastside making four-minute speeches to arouse public interest n the Thrift Stamp campaign and report good success. "Mc", by the way, is a most efficient official and the voters should not forget him—this is election year.

Mrs. Frank Madoona and 'her daughter Linda, have returned from Camp Lewis, near Tacoma, Wash., where a number of Half Moon Bay boys are training. Quillico Madoona among them. The boys are in fine physical condition. They joined the men at mess Christmas dinner and enjoyed it immensely.

Miss Annie Cunha has been suffering great pain on account of having contratced blood poisoning in her left hand. While at work in the cannery, she cut her hand with a rusty knife. She has been going to Dr. Brooke's office daily for treatment.

Mr. and Mrs. Percy Wilson were in town Thursday to visit Mr. and Mrs. Hatch and Mr. and Mrs. Leon Wilson. Mr. Wilson is a brother to Leon Wilson and to Mrs. Hatch. The Percy Wilsons are just back from Mexico.

Pilarcitos Rebekah lodge held election of officers last Saturday the result of which was as follows: Noble Grand, Mrs. Ray Johnson; Vice Grand, Mrs. Alida Levin; Secretary, D. J. Lynch. They will be installed a week from tonight, Saturday. January 26th. All members are urged to be present.

Mrs. Manuel Dutra left for San Jose to spend several days.

Geo. W. Mowry went to Burlingame last Monday to help put the finishing touches to a new home owned by Mrs. West, his sister.

REPORT OF SESSION OF SUPERVISORS

The board of supervisors met in regular session Monday, January 21 there being present Dr. C. V. Thompson, presiding, T. L. Hickey, W. H. Brown, John MacBain and Jos. M. Francis.

Attorney A. H. Redington of Hillsborough appeared before the board in the matter of the petition of residents of that mnuicipality for the annexation of certain uninhabited territory to the city of Hillsborough. the hearing of objections to same being set for this day. There being no objections filed, a resolution consenting to the annexation of the above said territory was adopted on motion of Brown, seconded by Francis.

The certificate of John A. Hoey, clerk of the Town of Hillsborough, showing the result of the election in the above matter, was presented by Attorney Redington and was ordered filed.

F. S. Rowell of San Francisco addressed the board and stated that in 1912 he had purchased certain property on the mountains southwest of Redwood in what is known as the Mangaqucia tract and which property had been misrepresented to him. He asked the board to take some action to reduce the assessment on the property to a nominal sum.

County Assessor D. P. Flynn, who was present at the meeting, stated that he could not reduce the assessment, and on his suggestion Rowell was directed to bring the matter before the board of equalization in Septeber.

District Attorney Swart appeared before the board and read the proposed ordinance regulating motor trucks and jitney busses operated on the highways of the county.

No action was taken by the board in regard to the proposed ordinance, the district attorney promising to furnish copies of the ordinance to the members of the board and to other interested parties, so they could fully acquaint themselves with the various provisions and make any suggestions they might see fit, all of which suggestions, Swart stated, would be greatly appreciated.

District Attorney Swart filed a written complaint against F. J. Vanderlieth, who conducts a saleon under a Class A liquor license at Belmont, charging the latter with a violation of the new county liquor ordinance, which prohibits the sale of intoxicating liquor to irresponsible persons in the county.

The specific charge against Vanderlieth, as contained in the complaint, is that on the night of January 16, 1918, he did deliver intoxicating liquor to one Jose Villcose in front of his saloon, who in turn handed it over to a number of soldiers and that immediately thereafter, Villecose, being intoxicated, bought a pint of whiskey in the barroom of the place, which he delivered to a soldier in uniform, waiting outside the saloon.

Following the reading of the above complaint, the board, on motion of Brown, seconded by Hickey, made an order citing Vanderlieth to appear on Thursday, January 24th, when a special meeting will be held, and show cause why his license should not be revoked, the license in the meantime to be suspended.

County Superintndnt of Schools Roy W. Cloud addressed the board and asked that he be allowed $100 to secure clerical assistance in his office during the coming six months. The request was granted, on motion of MacBain, seconded by Hickey.

An order was received from Superior Judge Buck calling for one hundred trial purors to serve in the Superior Court during the coming year.

On motion of Brown, seconded by Francis, the call for the jurors was ordered made.

The report of J. R. Eubanks, superintendent of the county farm and hospital was received, showing that he had cared for 58 inmates during the month of December, four of whom had died and five were discharged.

The application of Walter J. Green of Redwood City for a permit to operate a motor bus service between that place and Camp Fremont, came up for its second reading, and upon the recommendation of District Attorney Swart the clerk was directed to notify Green to appear personally

BOARD OF SUPERVISORS

(Continued from page two)

before the board in the matter of his application.

The Fremont Auto Transit Company of Redwood City, was granted a permit to operate a six-cylinder Studebaker automobile between Redwood and Camp Fremont, on motion of MacBain, seconded by Hickey, for a period of 60 days, pending the passage of the jitney ordinance.

Sam Carlsson of Redwood City was also granted a permit to operate a jitney bus service between the same points for the same length of time, on motion of MacBain, seconded by Hickey.

A certificate of statement signed by County Treasurer P. P. Chamberlain, Dr. C. V. Thompson, chairman of the board of supervisors, and County Auditor J. J. Shields, fixing the rate of interest to be charged on all county moneys deposited in different banks, at 2 per cent was received.

A communication was received from the San Mateo County Building Trades Council enclosing the scale of wages adopted for the different journeymen of the county.

W. W. Oliver, business agent of the council, addressed the board and asked that the county adopt the new scale in its entirely.

Supervisor Brown addressed the board stating that he was in favor of the scale presented, using the argument that the county should not pay less than the standard.

Supervisor MacBain addressed the board and stated that he was in favor of paying the scale asked for all the journeymen with the exception of the engineers', arguing that the payment of $7 a day, the new scale, to steam roller men, would greatly handicap the county, as conditions do not warrant employing an engineer steadily and it is often difficult to secure a suitable one.

Supervisor Brown moved and Supervisor Hickey seconded the motion that the scale be adopted by the board as presented. The motion was lost by the following vote, Supervisor MacBain stating when it came to his turn that he would vote for the adoption of the scale if the engineers' scale remained unchanged:

Yes—Supervisors T. L. Hickey, W. H. Brown.

No—John MacBain, Jos. M. Francis and Chairman Thompson.

A communication was received from M. F. Brown, secretary of the California Traffic Association, explaining the purposes and plans of the association and asking for a small contribution to help carry on the work undertaken.

The communication was ordered filed, on motion of Hickey, seconded by Francis.

County Clerk Nash reported that $87.50, interest in $5,000 Liberty Bond investment of the county, had been turned over to the treasurer.

The following claims having been approved by the auditing committee were ordered paid:

Bruno Bendorff, Woodside, $90 rebate on liquor license; Julius Schenkel, Portola, $100, rebate on liquor license. American Corrugated Culvert Co., two claims for corrugated pipe furnished, one for $223.56 and the other for $116.64.

Supervisor Brown stated that he had secured an option on a piece of property on Ocean street in the Town of Half Moon Bay for a jail site and corporation yard and he asked that the clerk proceed to take the necessary steps to advertise for bids to acquire the property. This was ordered done, on motion of Francis, seconded by MacBain.

What is said by old employees of the Wells Fargo Company in this vicinity to be the largest express shipment on record, was received at Camp Fremont Monday, when eight carloads of tents, tent-poles and other equipment arrived from the Quartermaster's Depot at Chicago. The order came through in five days in spite of storms, having left Chicago January 16th. The charges amounted to over $34,790. W. W. From a third class office it is now doing the business of a second class office. Mr. Crane was recently given a civil service clerk and an assistant by the department at Washington. MANY ENJOY FREMONT THEATRE FIRST NIGHT

Fremont theatre was opened last Saturday evening under very favorable auspices. The weather was perpect, the crowd exceedingly large and enthusiastic and the performance excellent. Every seat in the big playhouse was taken long before the curtain was rung up. Miss Gertrude Beeger of Redwood City closed the program by singing the Star Spangled Banner, which was heartily responded to by the audience. Samuel M. Shortridge was to have opened the performance with a patriotic speech but he missed his train in San Francisco and could not reach Menlo Park in time. This disappointment was somewhat made up by the splendid vaudeville show. From all portions of the peninsula society people came to be present at the opening. All went away satisfied, declaring that the show was the best ever seen in San Mateo county.

From today on there will be a vaudeville show in connection with the moving pictures every evening and a continuous performance on Saturday and Sunday beginning at 1 o'clock. Matinee every afternoon. The management promises a good program every day, no money will be spared in giving the public the best performance possible.
